The seats of this theatre are filled,
with the ghosts
of a nation's
moral values.

[they]
mock justice every day:
one moment impeaching

a president for getting a blowjob
and lying about his private moment
as if that is worse than falsifying
military information and using scare tactics
to start an unjust war
against a third world country a 3rd world
country. but there is no impeachment

Bring the lights up.
Bring the arm of Justice down!
Bring her sword to bear on the neck of
this regime, this Reich, before
they disappear from view! At Least
redeem us a little. please. please why
are we in the dark ages?
